Merlin Suite Comprises of two rooms which can be used together or hired independently. With its own entrance foyer direct from inside the museum the Merlin Suite also has exclusive cloakroom facilities. Direct vehicle access for conference and exhibition set up is also possible through Merlin I.

Meadows Suite Comprises of two rooms; ideal for smaller meetings, break out or syndicate sessions. Light and airy, with natural daylight, they benefit from air conditioning and sound proofing as well as an independent foyer and toilets. There is also direct access to the museum exhibition halls.

Napier The latest addition to our facilities, Napier is ideal for all formats of meetings as well as business and celebratory lunches. Fully air conditioned and exceptionally light and airy.

Within the Museum From a pre-dinner drinks reception in the Red Room to a international product launch, there are many unique options available for both large and small events. Our Conference and Hospitality team will happily discuss your specific requirements.

In house Team "The facilities are excellent, regardless of group size... we have always found the staff to be friendly, efficient and willing to go the extra mile to make any event run as smoothly as possible. They are easily able to absorb late changes in requirements due to their excellent event co-ordination. The food is of a high standard... Overall, we highly value the services offered by The Haynes International Motor Museum." Darren Wilson, Operations Director, Thales

Ideal Location Conveniently located, just two minutes off the A303 in South Somerset, the Haynes International Motor Museum offers a truly unique venue for conferences, events and private functions. 30 minutes from junction 25 of the M5; 1 hour 40 minutes from junction 12 of the M25; 1 hour 20 minutes from Exeter; 45 minutes from Bristol Airport.
